1. GENERAL

1.1 A regular employee (see System Regulation 31.01.01, section 2.1) is eligible for leaves of absence with pay. An employee who is transferred temporarily to wages prior to separation to provide a training period for a replacement is entitled to any applicable leave of absence with pay until the separation date specified on the Form 500.

1.2 While on leave with pay, an employee will continue to receive regular salary and benefits and will continue to accrue vacation, sick leave and state service credit. The leaves with pay described in this regulation will not be charged against an employee’s vacation, sick leave or compensatory time accruals.

2. EMERGENCY LEAVES

Each component Chief Executive Officer (CEO) or designee, is authorized under certain circumstances to approve emergency leaves of absence with pay for regular employees.

Emergency leave will be granted upon request because of death of the employee's spouse, or the employee's or spouse's child, parent, brother, sister, grandparent or grandchild.

2.2 Unsafe Working or Travel Conditions

2.2.1 When an office or work site closes because of hazardous conditions or unsafe travel conditions, the employees scheduled to work will be granted emergency leave for the time the work site is closed. 2.2.2 The CEO may also grant emergency leave when the component does not officially close, but hazardous or unsafe travel conditions delay or prevent an employee from being at work during his or her scheduled time.
2.3 Emergency Evacuation Order

If an emergency evacuation order is issued by state or local government, each employee scheduled to work should be granted emergency leave for the duration of the order. Emergency service personnel or others needed to provide for the safety and well-being of the general public or for the restoration of vital services will not be granted leave. Each System component will establish compensatory time procedures for employees who are required to work during the time the component is closed due to an emergency evacuation order.

2.4 Other Circumstances

2.4.1 Each component CEO may determine other reasons for emergency leave and may grant emergency leave with pay for those reasons.

2.4.2 Employee Requests

(1) show good cause for the leave; and

(2) have exhausted all accumulated vacation and compensatory time.

2.4.2.2 The CEO may, with full information on the employee’s other leave options, grant an exception under special circumstances.

2.4.2.3 Employee requests for sick leave are addressed in System Regulation 31.03.02, and requests for sick leave pool are addressed in System Regulation 31.06.01.
