Impact of Compensation Decisions

- Attract and Retain Talent
- Efficiency, Equity and Compliance
- Reward Performance
- Employee Development and Growth
- Recognition of Contributions

Bad decisions can result in unwanted turnover, unhappy employees, budget overages and legal action.
What is Compensation?

All forms of financial returns and tangible services and benefits employees receive as part of an employment relationship.
Types of Compensation

**Direct Compensation:** Base pay, overtime, longevity pay, hazardous duty, supplemental pay, merit pay

**Indirect Compensation:** Paid leave. Social security, workers' compensation, unemployment compensation, pension plans, health, dental, vision, life, insurance

**Intangible Compensation:** Non-monetary rewards (work/life balance, alternative work schedules, on-the-job training, development opportunities, etc.).
Regulatory Concerns

- Equal Pay Act of 1963
- Age Discrimination in Employment Act of 1967
- OFCCP & Executive Order 11246
- Lilly Ledbetter Fair Pay Act
- Fair Labor Standards Act

Factors Influencing Pay Decisions

- Market Pay
- Internal Equity
- Pay Grade
- Available Funds
- Working Conditions
- Performance
- Job Required KSA’s (Knowledge, Skills and Abilities)
- Incumbent’s KSA’s
- Other job related, legally compliant reasons
Compensation Philosophy

Texas A&M University-Corpus Christi is committed to attracting, retaining, and rewarding a qualified and diverse workforce. Within the boundaries of financial feasibility, employee compensation shall be externally competitive and internally equitable. Compensation actions will be compliant with federal and state laws, system policies and regulations, and the Texas A&M University System (system) pay plan administration program guidelines.
Compensation Terms
**Classify:** The assignment of a job profile to a specific position.

**Reclassification:** A change in the assigned job profile as a result of a change in responsibilities and/or promotion.
